

Linking Seniors to the best Kept Secret

Join Independence at Home for a presentation about the no cost Multipurpose Senior Services Program (MSSP) in the state of California. This presentation is open to professionals and community members who work with older adults.

About Our Speaker:

Reina Oliver, MAG
Director, Government
Contract Programs

Reina Oliver joined SCAN's Independence at Home (IAH) Team in 2007 as a MSSP social work care manager. Since 2017, she has served as IAH's Director of Government Contract Programs. Her MSSP responsibilities include overseeing care management delivery of care, vendor management, staff development and training, program monitoring, and California Department of Aging (CDA) reporting and compliance, as well as assisting with fiscal operations. Reina holds a Master of Gerontology and a Bachelor of Arts in Behavioral Science, both from California State University Dominguez Hills.
